Come interface with the **VAVE100** at CeBIT 2008 before it hits the

**market this Summer!!**

**Hannover, Germany March 4th-9th 2008**

**Ricavision International, Inc. will have representation at:  
Intel: Pavilion P33  
Microsoft Main: Hall 4 stand A26**

**Thank you for visiting Ricavision at CES '08**

We would like to thank your for visiting us at our hospitality suite in the Venetian, Microsoft Booth, and/or Primax booth during CES this past January. Every person who casually stopped in to see what all the excitement was about and every company with which we had meetings, thank you. CES this year resulted in some great strides for Ricavision International, Inc.
